

TE 250: Week 8 Midterm Presentations

Mark Karasek
mkarasek@illinois.edu

Technology Entrepreneur Center

Special SocialFuse Event on Oct 19

Grainger Engineering students: Learn how you can get a \$5,000 scholarship for spending a semester in Chicago and get course credit for working on a startup with UChicago students. RSVP: go.illinois.edu/socialfuse

Thurs | Oct 27 | 5-7pm

Come pitch your startup ideas, network, & find teammates. Or, just sit back & check things out! RSVP: go.illinois.edu/socialfuse

Tues | Oct 18 | 5-6pm

4100 SIDNEY LU MECHANICAL ENGINEERING BLDG.

Hear from advisers & current ILEE students, ask questions, and learn how to apply. Snacks provided! RSVP: go.illinois.edu/ilee-info-2

Help shape the innovation & startup ecosystem on campus

Connect with students and staff invested in the ecosystem, develop your professional network, and share your insight and feedback.

APPLY: go.illinois.edu/TECsab

Mid term presentations – ground rules

- Need to indicate if all team members are present
- Did all team members contribute significantly to work
- Target 6 – 7 minutes. Hard stop at 10 minutes
- Be prepared before your time slot
 - One team member signed into Zoom
 - Ready to share your presentation immediately
 - Clock will start as soon as previous team ends.
- Be prepared for questions
